## August 2024, Issue 1

This is a test of our new look for the **MONTHLY** newsletter. Yes, that's what I said,

### MONTHLY!

I will no longer send you weekly updates of the same old stuff over and over again. This is your chance to have an input in what you would like to see on a monthly basis.

First: a title-name **your** newsletter.

*See You There!*

Here's the most exciting part, at least for me. You get to tell me what you want in this newsletter. I encourage all of you to give me (friendly) feedback. I would also like to encourage you to write some articles about current events, hobbies, things you would like to do, etc... Let's make this a fun and exciting way to keep informed **about and beyond St. Thomas.**
